

# LED GARDEN LAMP

Product&amp;Family Code:

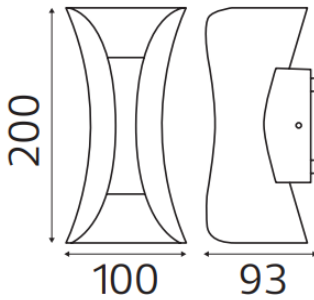

076 052 0010

**MARVEL-10**

**BLACK**

**BLACK&GOLDEN**

## Technical Drawing

## Technical Data

|   |                    |
|---|--------------------|
| Voltage (V)                                     | 85-265V            |
| Product Wattage (W)                             | 10                 |
| Equivalence with incandescent lamp(W)           | 80                 |
| Colour Render Index (Ra)                        | >Ra80              |
| Colour Temperature (K)                          | 4200K              |
| Materials                                       | ALUMINIUM          |
| Protection Class                                | I                  |
| Dimmable  | No                 |
| Warm-up time up to 60 %of the full light output | Instant Full Light |
| Luminous Flux (lm)                              | 517                |
| Luminous Efficacy (lm/W)                        | 51.7               |
| Rated Life (hrs) ⌚                              | 30.000             |
| IP Rating                                       | 65                 |
| Power Factor                                    | >0.5               |
| Beam Angle                                      | 120°               |
| Starting Time                                   | <0.2s              |
| Number of ON-OFF cycling                        | x15.000            |

## Applications

- Designed Outdoor Applications: Hotel, home lighting, recreation place, supermarket, office building.

## Features

- Lighting Direction: Up, Down and Front.
- High heat dissipation, low carbon and environmental protection.
- SMD LED Lamp Base.
- Innovative Design of Assembly Structure
